

Order form due to the VCES/MS Office no later than Friday, September 16th by 12:30 p.m. (after MS lunch). No late orders will be accepted.

Additional Sweatshirt Order Form

All sixth, seventh, and new eighth grade students receive one hooded sweatshirt as part of registration (no additional cost.) However, many students enrolled at Valley after the initial sweatshirt order, or did not return their pre-order form for the sweatshirt by the May/June deadline. For anyone who did not yet receive a registration sweatshirt - we will be taking size information from every new student and will be placing an order this Friday, September 16th. **Parents do not need to send in any information for this part of the process.**

However, any student wishing to order an additional uniform navy blue hoodie may do so using this form. These orders are for ADDITIONAL sweatshirts – not the one each student receives as part of registration. Sweatshirts run \$25.00 and the check must accompany the order. This will be the last time this school year you will be able to order these particular sweatshirts (Dennis Uniform and Lands End has other styles). **Deadline to order is Friday, September 16 by 12:30 p.m. (after MS lunch). In an effort to receive the sweatshirts in a timely manner, there will be no exceptions to this deadline.**

Description: Sweatshirts are navy blue with a hood and a kangaroo pocket. The sweatshirts have the new campus logo in white silkscreen.
