- With thanks to Kimberly White, Community Connection Coordinator for the VALOR Network and Karen Crandal & Thomas Kohler - who are in “the know” for everything web related and marketing for the campus – for getting the VALOR Network legitimate.

- Our CYO Athletic Director, Kelly Alfieri is in need of volunteers for the gate and concessions this Saturday and Sunday for the final weekend of the CYO basketball tournament.
 - If you can help- contact Kelly at kalfieri@valleycatholic.org
 - These CYO tournaments are just one more way our great school is exposed to the other parish schools in the area.

That is as far as I'm going to get today.

Enjoy your week,
Amy
