Valley Catholic Middle School

Mission Statement

Valley Catholic School promotes the development of life-long learners and leaders by teaching and living Catholic values within a strong tradition of faith, service, and personal and academic excellence.

Philosophy

The college preparatory education at Valley Catholic School develops the whole person—physically, intellectually, emotionally, spiritually, and aesthetically. Valley Catholic School provides a Christian community in which the body, mind, and spirit of each student can develop to full maturity and responsibility. By challenging students to think critically and discern prayerfully, a Valley Catholic education not only provides students with fundamental knowledge, but encourages students to develop the understanding and wisdom to participate fully and positively in life.

Belief Statements

1. Students can nurture a personal relationship with God.
2. Students can learn to respect themselves and others as valued gifts from God.
3. Students can develop a well-formed moral and social conscience.
4. Students can prepare for any college or university through the academic and college counseling program.
5. Students can develop creative expression, critical thinking, intellectual curiosity, active social responsibility and positive methods of communication.
6. Students can become life-long learners and can adapt to a rapidly changing world.
7. Students can develop the knowledge, attitudes, and skills to make positive choices throughout their lives.
8. Students can interact in a spirit of cooperation and collaboration.
9. Students can contribute to and participate within a safe physical environment.

Non-Discrimination Policy

Valley Catholic School welcomes students of all national and ethnic origins. It does not discriminate on the basis of national or ethnic origin in its admissions, educational policies, athletics, and other school activities, or in granting scholarships, financial aid, or loans.
