Practices: Players practice 2x's a week and some occasional mid-week scrimmages

Games: Games are played on Saturdays. CYO Lacrosse participates through the Oregon Youth Lacrosse Association (Boys) and the Oregon Girls Youth Lacrosse Association (Girls).

1st and 2nd Grade Boys and Girls Program

Our first and second grade program is unique from others, we offer Lacrosse at this age for both Boys and Girls in full gear.

We are modeled after the CYO Hot Shots basketball program where we practice prior to playing our games.

Coaches Needed at all levels!

We are in need of coaches! Even if you have never coached Lacrosse before or played! Lacrosse is the fastest growing sport in the US and CYO has seen this growth with the start of our program last year. We offer numerous coaching clinics and help with skills and drills for practices.
