## VALLEY CATHOLIC SCHOOL PREK-8 OPEN HOUSE SUNDAY, JANUARY 22

Come to Valley Catholic School on Sunday, Jan. 22 for information on the upcoming 2012-13 school year. Tour our beautiful new Elementary & Middle School building as well as the Early Learning School, which is celebrating 20 years of service. Talk to our faculty and staff and discover why you belong at Valley Catholic.

At Valley Catholic, we are a community of learners and leaders that live out Catholic values and follow in Jesus' example of prayer, service and love. We offer a faith-based education experience, noted for its award-winning academic programs, CYO athletics and quality fine arts.

Our beautiful, 43-acre campus serves PreK-12 students and is also home to a music school for private lesson instruction. Students of all ages have multiple opportunities to learn, perform, compete and serve.

Applications will be available at each school's Open House and posted online the next day.

*See you there!*

Our campus is located off Murray Blvd. between TV Hwy. and Farmington Rd. in Beaverton. Both buildings hosting open houses are in the center of campus.
