

Advanced Placement today advances our hope for tomorrow.

Congratulations to the winners of the 2009 Siemens Awards for Advanced Placement for excellence in math and science. The Siemens Foundation celebrates its 11th year honoring the achievements of students, teachers and high schools who excel in the College Board's Advanced Placement Program® (AP®) math and science exams. We understand that investing in our nation's future begins with a commitment to inspire our next generation of innovators. From grade school to graduate school, the Siemens Foundation is committed to the future and to those who will create it.
